Comfort for every team

komitat

Welcome to Komitat!

For 10 years, we've been setting the standard in workforce accommodation across Romania's key industries

At Komitat, you're **one call away** from your teams, whether you work in Logistics, Construction, HoReCa, or Retail

Logistics

Logistics work demands energy and a steady pace. Komitat provides **peace, safety, and optimal conditions for team recovery**, maintaining their balance and daily productivity.

Construction

Teams reach the worksites faster thanks to **strategic locations**. Komitat provides safe and organized spaces, reducing partner concerns and ensuring **well-rested teams, ready to work.**

HoReCa

In a fast-paced environment, Komitat provides teams with stability and comfort, conditions that **increase motivation, reduce staff turnover**, and support operational continuity.

Retail

The Komitat standard ensures the same safe and comfortable conditions in every complex, so that **teams can easily adapt, and companies benefit from predictability.**

Why Komitat?

Well-rested teams. Better results

We aim to turn team wellbeing into a genuine driver of business performance

5 benefits for a win-win partnership

1. Privately owned facilities

We own all our accommodation spaces, managing every detail directly to keep standards consistent

2. Strategic locations

Each location is strategically placed near key industrial areas, reducing travel time and improving operational efficiency.

3. 360° Transparency

Everything is monitored and reported transparently, so our partners always know their teams are safe.

4. 24/7 support

The Komitat team is just a call away. We provide constant support and respond quickly whenever our partners need updates, assistance, or fast solutions.

5. Quality standard

Every Komitat location complies with 3-star hotel standards, ensuring consistent comfort, cleanliness, and safety.
